

In loving memory,

INT. Ch. TNG N Zagreb's The Temptation

(Ch. Caravan Zagrebs The Challenger X Riverside's Regal Rose)

April 26, 1996 - June 20, 2008

Mikey was a product of frozen semen breeding and one of only 2 pups in that litter. He went on to be a fantastic show dog and finished his Championship in 4 countries including the US. He produced many Champion kids & grand kids passing on his soundness & loving temperament to each & everyone of them.

We lost Mikey this past summer to "old age" & miss him terribly here at TNG. We still see him everyday however thru his wonderful grand kids who are carrying on his legacy.

Mikey....what a beautiful Dalmatian you were.
We will miss you forever.

Rest well, Old Friend
